### Council Response

Thank you for submitting the petition about the Anti-Social Behaviour at the rear of the Cheviot Road Shops.

Through our joint working with Thames Valley Police we are aware of the work they have carried out to try and combat some of the Anti-Social Behaviour carried out in the area. We are aware that the area around the old garage site and the rear of the shops has become attractive for those wishing to commit Anti-Social Behaviour however the new properties that are replacing the old garages will result in the area being less attractive. We expect an improvement in the area following the properties being completed as the residents will be passing the rear of the shops on a daily basis.

We again ask that all incidents of Anti-Social Behaviour are reported to the Police on the 101 telephone number as we believe the amount of Anti-Social Behaviour is underreported. Whilst we wait for the properties to become occupied we have introduced a litter picking service so as to see how much alcohol litter is dropped which will take place once a week and will be reviewed on a regular basis.
