Permit Holders - Parking Request College Avenue

We, the residents of College Avenue have raised numerous petitions for our road to be turned into a permit holder the reasons are outlined below. Here is another petition but can you also advise what we can further do to get this actioned please, as a matter of urgency.

The reasons are outlined below:

- 1) Cars left dumped on the road for many months improperly parked shown in pictures below
- 2) People seem to park their cars who work in the high street.
- 3) There are numerous flats which have been and are being built on Chalvey Road East which do not have allocated parking, these people will also end up parking on this road .
- 4) People who live on The Crescent seem to park on this road as they cannot be bothered to get a permit.

We are paying Council Tax and Road Tax but can never seem to find parking on our own road.

This petition was received on 12th July, 2018.

This petition was passed to the Team Leader, Parking Services on 24th July, 2018.
