

Safe Place Scheme

The Safe Place Scheme has been set up to help people who might feel vulnerable when they are out and about in Slough.

Businesses in Slough will put a Safe Place sticker in their window. This shows it is a place where you can go in an emergency and get help to call the police, a family member, carer or support worker.

The businesses will not make lots of calls, but will give you somewhere safe to wait until help and support arrives. It must only be used in an emergency, such as if you are unwell, scared or lost.

You can get a card to carry with you that you can put some emergency contact details on to. The scheme is there to provide reassurance to you as a resident of Slough, enabling people to be more independent around the town centre.

What to do:

- Carry emergency contact details on you at all times
- Know which businesses are part of the scheme by looking out for the sticker
- Always try to explain what help you need if you do have to use the scheme in an emergency

If you would like to take part in this scheme or would like further information, please contact Slough Borough Council's Community Safety Team at communitysafety@slough.gov.uk
