

Council Tax: Application for a Discount. Apprentices

The Council Tax law assumes that two adults live in each dwelling. If there are more the bill will not be increased, but if there are fewer it may be reduced; by 25% if only one adult lives in the dwelling. When we count the number of adult residents, certain people, although actually living in the dwelling, are ignored for Council Tax purposes. This includes people who are classified as Apprentices (please see section 3 for definition). If you or someone in your household falls into this category please complete Sections 1, 2 and the declaration set out below. **Only people who are liable to pay the Council Tax can apply for a reduction, but this may be in respect of themselves or others sharing their home.**
