Council Tax. Application for a Discount or Exemption.
The Severely Mentally Impaired.

If, having read the following paragraphs, you feel that discount against or exemption from, Council Tax should be granted, please complete and return the questionnaire below:

Discounts

The Council Tax Law assumes that two adults live in each dwelling. If there are more the bill will **not** be increased, but if there are fewer it may be reduced by 25% if only one 'countable' adult lives in the dwelling. When we count the number of adult residents, certain people, although actually living in the dwelling, are ignored for Council Tax purposes. These include people who are considered to be severely mentally impaired. Such discounts have been available since the beginning of Council Tax on 1/4/93.

Exemptions

Where a dwelling is occupied **only** by a severely mentally impaired person(s), total exemption from the tax may be granted. Such exemption can, however, only be granted from 1/4/95.

N.B. To be considered severely mentally impaired the person concerned must be classified as such by a registered medical practitioner and be in receipt of one or more of the allowances quoted overleaf.
