5 Questions

- Are you living the life you expected and were told about prior to coming here?
 - Do you know where your identity documents/passport are and can you access them freely?
 - If you wanted to leave this job or accommodation would you be able to?
 - Have you ever had threats made to you or your family if you do not do what you are told?
 - Are you able to make contact with your family or friends when you want?
-

The questions are intended to be conversational rather than formal interview questions.

Do not attempt to ask these questions if the person is not alone as it may leave the individual at risk.
