2.3 Job Evaluation

The pay of all employees, including Chief Officers, is based on job evaluations undertaken through the National Joint Council (NJC) Job Evaluation Scheme “Green Book”.

2.4 Terms and Conditions of Employment

The Chief Executive is employed on the JNC for Local Authority Chief Executive’s terms and conditions of employment.

Chief Officers are employed on Joint National Council terms and conditions for Chief Officers.

The remainder of staff are employed on the National Joint Council for Local Government Services or Teaching or Soulbury terms and conditions of employment.

2.5 Travel and Subsistence Expenses

There are occasions when employees incur additional expenditure than normal while undertaking their official duties on behalf of the Council away from their normal place of work. The Council has a comprehensive Travel and Subsistence Expenses Scheme, which applies to all our staff, including Chief Officers, in such circumstances.

2.6 Payment of Professional Fees

The Council will pay the cost of one professional subscription per annum, per employee, including Chief Officers, which is relevant and necessary for the role.

2.7 Honoraria

An honoraria payment may be made to an employee, including to a chief officer, in recognition of undertaking temporarily additional or outstanding extra work, which is: -

- Outside the normal scope of the duties and responsibilities of the employee
- Over an extended period undertaking part of the duties of a higher graded post
- Or where the additional duties and responsibilities are exceptionally onerous
- Or in situations which merit the employee being rewarded for specific work.

The Honoraria Scheme applies in these circumstances and the amount of payment is based on the duties undertaken.

2.8 Acting Up

Acting Up arises when an employee temporarily undertakes full or part duties of a higher graded post for a consecutive period of at least four weeks.

All employees, including Chief Officers, are entitled to an acting up payment in recognition of the responsibilities. Decisions on payment take into account the following: -

- The nature and complexity of the responsibilities, undertaken by the employee and their current spinal column point
- Whether the employee is undertaking full or part responsibilities
- If the employee is placed into post as a development opportunity

2.9 Secondments

Secondments are intended to provide developmental opportunities to gain skills and experience rather than for financial gain. Therefore, secondees will normally transfer from their current position into the secondment on their existing salary. Terms and conditions of the secondee may change depending on the local variations within the department. However, if there is a significant difference between the secondment and the individual's salary this must be brought to the attention of the Group Manager – HR and a decision will be taken, in conjunction with the AD /ED on whether to review salary arrangements in line with the complexities of the job.

2.10 Market Supplements

A market supplement is payable, in exceptional circumstances, for posts (including Chief Officer posts), which are critical to the delivery of essential/statutory services, and to which the Council has been unable to recruit or retain.

2.11 Pay Protection

An employee, who is redeployed to a suitable post which is one grade lower, will receive protection of earnings (basic pay plus local weighting allowance) for a period of one year. The salary will be frozen at its current level and the employee will not receive annual pay awards. At the end of the protection

period the employee will be placed on the salary grade relevant to the redeployed post.

Where an employee accepts redeployment to a post which is more than one grade lower, there is no entitlement to protection of earnings. In exceptional circumstances, to minimise financial hardship and avoid redundancies Executive Directors may, subject to budgetary considerations, exercise discretion to grant some element of protection. This would apply for no longer than one year.

2.12 Termination Payments

In the event of a redundancy situation, all employees, including chief officers, are entitled to a redundancy payment based on a multiple of 1.5 times statutory provision, based on weekly pay, subject to a cap of 30 weeks as the maximum number of weeks payable, and to a cap of 20 years' service.

The terms, and any payment relating to the termination of employment of any officer of the Council in any contentious circumstances which do not result from an award made by an Employment Tribunal or Court are settled by the Council on the basis of the legal merits of the case, the time and disruption which protracted litigation would involve, any limit of statutory entitlement on monetary claim available to an employee, and what is considered prudent in all circumstances.

Any redundancy or severance packages of £100,000 or more will be approved by Full Council. In presenting the information to Full Council the components of any such severance package will be set out including salary paid in lieu; redundancy compensation; pension entitlements; holiday pay; and fees or allowances paid.

If an application for a post (including Chief Officer posts) is in receipt of a severance payment from any local authority, or a Local Government retirement pension, this does not form part of the council's decision as to whether or not they should be appointed.

Any employee who is made redundant, including Chief Officers, must have a break of at least four weeks to retain a redundancy payment before they can be re-employed by the Council or employed by another local authority. This is covered in Modification Order 1999.

2.13 Pension Payments

All employees who are members of the Local Government Pension Scheme, including Chief Officers, are entitled to a retirement pension calculated in accordance with the Local Government Pension Scheme Regulations.2.14

2.14 Arrangements to minimise payment of tax

The Council regularly reviews arrangements with consultants and interim staff to ensure that these are not put in place to improperly minimise tax payments. This would cover officers under a contract for services outside of IR35.

2.15 Payment for election duties

The Council's policy for payment of fees for election duties is published separately. The Council designates an officer as Returning Officer. Details of fees for election duties paid to senior management are published online

4 Relationship between the Remuneration of Chief Executive and our lowest paid employees

(£171,731/£19,481 = £8.8)

4.1 The median earnings are currently £28,690. The median earnings figure complies with the specific requirements within the Local Government Transparency Code and includes all elements of remuneration (i.e., Local Weighting) that can be valued.

4.2 The pay of the Chief Executive is currently 5.9 times the pay of the median earnings of our employees. ($\pounds 171,731 / \pounds 28,690 = 5.9$).
