

Request approval to make changes and improvements to your council home

Please complete this form and return to your area's senior neighbourhood officer:

- Northteam2@slough.gov.uk (Britwell, Northborough, Baylis and Stoke, and Farnham)
- Eastteam2@slough.gov.uk (Upton, Wexham Lea, Langley St Mary, Kedermister, Foxborough and Colnbrook with Poyle)
- Southteam2@slough.gov.uk (Cippenham Meadows, Chalvey, Haymill, Lynch Hill, Cippenham Green and Central).

Name:

Address:

Comprehensive description of the works you'd like to carry out. Please include:

- the type of change (e.g. erecting a shed, building a conservatory, constructing a pond)
- whether the change is to the inside or outside of your home
- who will be doing the work.

Will your proposed modification involve your neighbour's property? Yes No

Do you foresee any potential problems with your neighbours? Yes No

If you answered yes to either of the questions above, please give more information:

Proposed start date:

Proposed end date:

Sketch of your proposed change

Declaration

I understand that I am responsible for getting all the necessary planning and building regulation permissions. I will provide proof of permissions when requested.

I understand that the council may choose to inspect the works to make sure they have been completed to a good standard.

If the council refuse permission, I will not go ahead with the works. I understand that if I go ahead with the works without permission, I will have to meet the cost to reverse the change.

Signed:
