## Our works nearby

We are carrying out some essential urgent works in the Carriageway on Chester Road.

These are essential improvements to help repair a broken asset of ours and we will have to excavate the site.

### What this means for you

Due to the location of the work, there will be an impact on the carriageway with a section of the road closed. This will also have an impact on parking in the area. There will be a clearly signed diversion route in place.

Our works will commence on Monday 5<sup>th</sup> February 2024.

### How long will this take?

We hope to have our works including reinstatement completed by Sunday 25<sup>th</sup> February 2024.

If for any reason the duration is prolonged, we will notify you via letter.
