**Slough**  
Borough Council

# 5,000 schools in the UK already follow the free scheme

Join them and get innovative help and advice about new ways to get to school and leaving the car at home.

Schools that win a STARS award could be recognised as regional or national school of the year at the Modeshift National Sustainable Travel Awards.

---

## The scheme leads to:

- ★ **Healthier Pupils:** By encouraging young people to get active through more walking and cycling.
- ★ **Safe pupils:** help you identify travel and transport issue and improve the quality of the air that your pupils are breathing in.
- ★ **Cleaner Air:** Reducing the number of vehicles outside of your school will improve the quality of the air that your pupils are breathing in.
- ★ **Stronger school community:** Young people, parents, teachers and neighbours working together to make a difference to your area.
- ★ **School Travel Plan:** The STARS portal will ensure you have an up to date School Travel Plan.
- ★ **National Accreditation:** STARS is supported by the Department for Transport and is recognised as the National School Travel Awards Scheme.
