

# Slough's Learning Disability Strategy

2023-2028

Vision and Priorities for Adults with Learning Disabilities

# Slough Learning Disability Strategy 2023-2028

## A focused work on Prevention and self-advocacy

### Key Elements

- Enable people to manage their health and wellbeing
- Prevent the need to take up of Adult Social Care
- Provide access to the right support at the right time
- Enable people to manage their own care and support needs
- Safeguard our vulnerable population
- Progress integration within Health and Social Care
- Embed Co-Production at the heart of Care and Support

# Slough Learning Disability Strategy 2023-2028

## Feedback and engagement

- **In Person Event**
- **Online event**
- **Online Survey**
- **Easy-Read Questionnaire**
- CPTLD Service Users
- Care and Support Providers
- CVS
- Co-production network
- Adult Social Care Colleagues
- Carers
- Health Partners and other stakeholders

**Starting point – more engagement to be sought for actions**

# Slough Learning Disability Strategy 2023-2028

## The core message

- **Empowering Adults with a Learning Disability to reach their full potential**
- **Reducing Inequalities and Improving the Quality of Life for Adults with a Learning Disability**
- **Emphasis on collaboration and co-production with the LD Community to achieve objectives**

# SLOUGH LEARNING Disability STRATEGY 2023-2028

## LD Strategy 2023-2028

**Empowering all adults with Learning Disability to live well and be independent as part of their community**

### 7 key priorities

- Promote Independence
- Ensure Access to Quality Care and Support
- Progress integration of Health and Social Care
- Ensure effective transition
- Facilitate access to employment, training, skills
- Embed evidence-based and data-driven commissioning
- Keep People Safe

# Slough Learning Disability Strategy 2023-2028

## Strategy implementation

- Creation of the Slough Learning Disability Partnership Board to oversee actions and key processes of implementation
- Introduction of “Working Groups” to deliver on specific pieces of work and projects (e.g. employment, health, communication, etc).
- Emphasis on the importance of partnership between all stakeholders to co-produce initiatives and achieve success together

# Slough Learning Disability Strategy 2023-2028

## Employment and skills

Develop partnerships with employers, training providers, and community organisations

## Transition to adulthood

Active engagement of CTPLD with SEND and SCF – early planning

## Accessible Communication

Co-design and develop accessible communication using multimedia tools and easy read formats

## Safeguarding

Raise the profile of Safeguarding issues affecting people with LD and their families and carers

## Health Inequalities

Identify barriers to access – work with health to tackle waiting lists and improve check-ups for people with LD

## Promote Independence

Work with providers to ensure good outcomes for life skills development and self-advocacy
