THE BOROUGH OF SLOUGH WAITING RESTRICTIONS AND PARKING PLACES (CONSOLIDATION) ORDER 2017 (AMENDMENT No. 35) ORDER 2024 (Order 17 of 2024)

STATEMENT OF REASONS

This Order creates the N Zone parking scheme covering all of Vale Grove and Winvale. In addition, the Order also amends restrictions on Albert Street, New Square, Slough Road and Windsor Road.

The purpose of this Order is to introduce a Controlled Parking Zone (CPZ) in line with the CPZ Borough Wide policy. This focuses on introducing CPZs as a standard approach for the provision of parking restrictions which would bring consistency in the management of road space and enable priority for parking to be given to residents and businesses.

The introduction of CPZs will enable the Council to:

- Prioritise parking for residents within the operational times using residents permits. Visitors vouchers will also be available
- Take account of the impact on the local amenities e.g. shops and schools
- Reduce congestion, obstructive and inconsiderate parking especially at junctions, bends and on footways
- Control the number of cars parking on the highway within CPZs
- Manage displacement parking
- Promote sustainability and improve air quality by encouraging commuters to use alternatives to the private car
