

Slough Borough Council

Notice of delay in conclusion of the audit of the Statement of Accounts for 2022/23

Accounts And Audit Regulations 2015

The audit of the Council's 2022/23 statement of accounts has not been concluded by the Council's external auditors, Grant Thornton.

The Council was delayed in publishing draft 2022/23 accounts for the inspection period due to delays in the audit, approval and publication of prior years' Statements of Accounts stemming from the complexity of the accounting issues that led to the Section 114 Report to Members on 2nd July 2021.

The external auditors have not issued a certificate of completion of audit currently, as:

- the draft accounts have not yet been published;
- the 30 working day inspection period has not yet concluded;
- the auditors have yet to conclude their audit.

As soon as reasonably practicable after conclusion of the audit and once the audit certificate has been received, Slough Borough Council will publish the notice required by the Accounts and Audit Regulations 2015, which notifies of the formal conclusion of the audit.
